Please give a short summary about yourself and why you would you like to serve on the Board.

Originally from Bellville, my wife and I moved to Pebble Creek with our two young children in 2024. We've loved the neighborhood and the culture it has offered our family. I recently sold a business based in Houston that I owned for 12 years. Since then, I started working at a local financial institution to become more involved in the community and have a positive impact on business owners seeking financial support.

Do you have any ideas or suggestions you would like to see addressed by the Board in the future?

My view on how to approach managing the community is to 1) preserve the features that make it so family friendly and 2) take a view on how to manage future changes that will inevitably come our way as the overall area grows.

I do not see major issues that need to be addressed, however, anything that can be done to enhance the "community" aspect of Pebble Creek is worth considering and understanding.

Thank you for volunteering your time!
