Please give a short summary about yourself and why you would you like to serve on the Board.

I am 50 with a wife and four kids from the ages of 16 to 22. I work at A&M University School of Public Health and just moved into the neighborhood about 4 months ago.

Although I've only been part of the neighborhood for about four months, my family and I have quickly come to feel at home here. I'd like to serve on the Board because I care about our community and want to help keep it a great place to live. I believe in listening to residents, communicating openly, and making practical decisions that are in the best long-term interest of the neighborhood. I'd like to bring a fresh perspective, a collaborative approach, and a willingness to get involved and help.

Do you have any ideas or suggestions you would like to see addressed by the Board in the future?

I don't right now.

Thank you for volunteering your time!
