Please give a short summary about yourself and why you would like to serve on the Board.

I was born and raised in College Station. I met my wife here and we decided to stay here to raise our family. Though children of our own does not seem to be in God's plan for us, we still love the family-oriented community found here at Pebble Creek. The community also holds a special place in my heart as my mother was the membership director for the Country Club for many years and I have many fond memories of the neighborhood and the Country Club from that time in my life.

My wife and I recently moved to Pebble Creek several years ago, from our home of 10-years which was close to the Barracks Townhomes. Since our move, we have found a new peace and pace of life here at Pebble Creek. From after dinner walks to golf cart goofin' on the weekends, all of our favorite pastimes revolve around simply enjoying the wonderful people, amenities, wildlife, and beauty our neighborhood has to offer. And I'm interested in serving on the board to simply give back to the community here in Pebble Creek and offer any help that I can.

Do you have any ideas or suggestions you would like to see addressed by the Board in the future?

To be frank, I don't have any grand plans, ideas or earth-shattering suggestions to offer. I believe the HOA and the Board have done a wonderful job keeping our neighborhood clean, well maintained, and beautiful. I would simply like to maintain, and where possible, build upon an already notable track record. That said, neighborhood integrity and safety are important to me and my family and I can confidently say that those two priorities would guide any decisions I may be asked to make.
